LORCA SET TO COMICS
A First for NBM adapting poetry-
By the Great Spanish Author/Poet

Dutch author Tobias Tak has fancifully adapted some of Federico Garcia Lorca's 'Canciones' poems to dreamy, fantastical comics collected in this handsome volume which is bilingual, showing both the original Spanish verse and its English translation together on the same page.

It's quite an experience, meant to make you look at the world more whimsically.

The collection includes a preface by Lorca scholar Christopher Maurer and a tribute by Dutch underground and indie artist extraordinaire Joost Swarte.
