

FOR IMMEDIATE RELEASE

CAN YOU FIGURE IT OUT?

A spoof of South Park with plenty of allusions to pop culture, this morbid set of ‘solve the murder mysteries’ for all ages will test your powers of observation and deduction!

...and also make you laugh with its absurdity!

Created on a lark by the Italian Alessandro Perugini which went on to create a sensation on Instagram, we’re sure you will find this delectable little book of crime puzzles absolutely irresistible. And with such potential culprits as Apple vs. PC, Hamburger vs. Pizza, Stewie vs. Bart from the cartoon world, to Coke vs. Pepsi, the possibilities are endless!

We are happy to arrange for serializing some of the strips on your site or print publication at no cost. Please enquire!
