RED MOTHER WITH CHILD
The Next Louvre Collaboration Delves into the Burning Issue of Immigration.

Christian Lax's *Red Mother With Child* is our eleventh book in the ever-expanding Louvre collection commissioning graphic novels from leading world artists to spin tales around the famous museum.

In Mali in Africa, a red *Mother with Child*, a 14th century African sculpture, is saved from the destructive madness of Islamists by Alou, a young honey hunter. In the company of other migrants, sisters and brothers of misfortune, Alou goes all out to reach Europe. His goal and his obsession: entrust the precious statuette to the Louvre Museum!

This epic adventure compellingly dives into the burning worldwide issue of refugees and immigration, from a first-person perspective.

Publisher's Weekly calls it "an action-packed and splendidly drawn narrative."
