

FOR IMMEDIATE RELEASE

The Much Awaited Sequel: **ZOMBILLENIUM Vol. 4** **“ROYAL WITCHCRAFT”**

The action-packed spoof of horror Zombillennium finally sees its fourth volume released **after a couple year hiatus due to a feature-length movie the author was busy with!** The first 3 volumes introduced readers to the undead world of the horror theme park, showcasing the undead, yet charming, workers that are sentenced to servitude before being admitted to the afterlife. Demons, ghosts, witches, zombies, mummies and vampires work hard to give the patrons of the park a good fright. But what happens when Hell sends a consultant? The park gets to know just how hardnosed management is. Any enterprise seeks a good return, but in souls?

In “Royal Witchcraft,” a battle royale is set up between the new demonic management and Gretchen, Aurelian and the demoted Von Bloodt who’ve been helping the damned of the park reconvert and escape. Management has hired a very powerful -and rather freaky- witch for a showdown with Gretchen who now finds herself seriously out of her league!

De Pins draws entirely in Adobe Illustrator. This is well preserved in the large 9 x 12 size format—with art popping from the page most impishly.

NBM also takes the occasion to reissue the sold out first two volumes into a combined omnibus type volume which is where the series will be headed. Once the 3rd and now 4th volumes sell out, only 2-chapters-in-1 volumes will be made available.

As for the movie, it’s coming over to these shores on August 27th in digital and DVD release. See our website for more info.

Arthur de Pins lives in France and besides comics, has also worked in animation. He is available for interviews and his English is excellent.

9x12, 48pp. full color hardcover: \$16.99, ISBN 9781681122199. Publication: July 2019.

This will also be available in all e-book formats (\$9.99).
